Newsletter

Language Area

This month we will practice the Chinese sounds ㄍㄎㄏㄐ (ge, ke, he, ji); and read the Chinese poem. 江雪 (Jiang Hsueh). Older children will continue sounding out words and practicing their strokes. In the English classroom, we will focus on Ii, Tt, Zz, and Pp. Children are welcome to bring in an object that starts with these sounds to share. We will also read Stone Soup and make it together as a community.

"Our care of the child should be government, not by the desire to make him learn things, but by the endeavor always to keep burning within him that light which is called intelligence."

— Maria Montessori

Art and Music

The English classroom's songs are "I'm Thankful" and "Five Little Turkeys," the poems are "Funny Turkey" and "Thankful." The Chinese classroom will learn 稻草裡的火雞 (Dao Cao Li De Huo Ji) and 鯊鱼宝宝感恩節 (Sha Yu Bao Bao Gan En Jie). Art will include handprints and turkey crafts.

Science and Geography

This month is Thanksgiving month, so we will teach about where different peoples' ancestors came from and learn about the people sometimes called "pilgrims" and modern tradition culture behind the Thanksgiving feast. The students will also study the continent of North America.

Calendar

11/11 - School Closed for Veterans Day
11/24 - Make Stone Soup
11/26 - 11/27 School Closed for Thanksgiving

Language Garden, LLC

Practical Life Area

This month we will focus on how to fold towels, work with tongs, sorting colors, using a cutting board, setting the table, pouring with a jug and continue practicing how to take off a jacket, put it away, and put it back on when it is needed and working with the zipper frame.

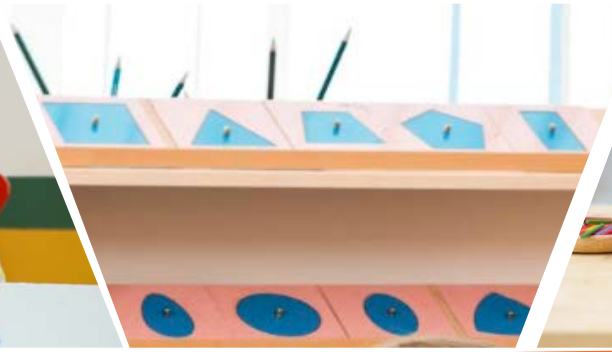

Math Area

This month, we will be learning the numbers zero through nine using Sandpaper Numbers. The students will also practice tracing numbers and lines. Our older children will begin working with Teen Boards, Ten Boards, and Fraction Skittles, and will work with this month's calendar and fractions.

Sensorial Area

This month we will work on Baric Tablets. This work helps children comprehend weight by categorizing three different weight tablets solely by handling them. This also helps the child improve concentration, independence and problem solving skills. We will also use a blindfold as a tool to isolate the senses.

"The honorable person begins by applying what he or she wants to teach, and then teaches."

– Confucius
